

**A TRUE FLYFISHERMAN'S
PARADISE...**

**CREE
RIVER LODGE
• WAPATA LAKE •**

Hidden in remote Northern Saskatchewan, Cree River Lodge offers an experience like no other. Monster northern pike, acrobatic arctic grayling, and golden walleye abound in these waters. Enjoy spectacular fishing with nearly endless sheltered flats, bays, channels, and weedbeds full of hungry fish. Experienced guides will get you to those fish in spacious, comfortable boats with casting platforms and four-stroke outboards. Our small camp provides an intimate, cozy atmosphere and limits the angling pressure to ensure this unmatched resource continues to thrive for years to come. Come see why Babe Winkelman says "The greatest destination of them all is Cree River Lodge"! Untapped pike fishing
